Ariston Lake view hotel

What to do in Molveno

The Molveno lake, at the foot of the Brenta Dolomites offers multiple holiday possibilities for families and sportspeople.

Those who want to actively live their holiday in Molveno, will have nothing else than the embarrassment of choice. Those who prefer a more "soothing" holiday can relax in the sun instead, comfortably lying on the soft lawn of the Molveno Lido, and enjoying the clear lake waters for a refreshing swim. At the end of the day, fun is guaranteed thanks to the local committee's organised events held along the town streets: music, cabaret and lots of games for happy evenings in company!
